

**MWA, inc. Architecture-Engineering of Truckee  
Awarded Best Of Houzz 2019**

*Awarded by Community of Over 40 Million Monthly Users, Annual BOH Badge  
Highlights Home Remodeling & Design Professionals with Top Ratings and  
Most Popular Home Designs*

**Truckee, California January 24, 2019 – MWA, inc. Architecture Engineering of Truckee** has won “**Best Of Service**” on [Houzz®](#), the leading platform for home renovation and design. This 34-year old award winning architecture, engineering, and interior design firm was chosen by the more than 40 million monthly unique users that comprise the Houzz community from among more than 2.1 million active home building, remodeling and design industry professionals.

The Best Of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honor professionals whose work was the most popular among the Houzz community. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2018. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

A “Best Of Houzz 2019” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“MWA has a proven track record of over two thousand projects since our inception. We take pride in maintaining a professional presence while operating as a casual, down to earth company with a sense of humor. Our office is a fun think tank environment with dogs asleep on the floor and music thumping. Our happiness shows in our work.” – MWA, Inc.

“Best of Houzz is a true badge of honor as it is awarded by our community of homeowners, those who are hiring design, remodeling and other home improvement professionals for their projects,” said Liza Hausman, vice president of Industry Marketing for Houzz. “We are excited to celebrate the 2019 winners chosen by our community as their favorites for home design and customer experience, and to highlight those winners on the Houzz website and app.”

### **About MWA, inc. Architecture-Engineering**

MWA, inc. Architecture and Engineering is an award winning firm that designs unique custom architecture for our client's homes and private commercial projects. We are an experienced firm with youthful energy and a proven track record of client satisfaction and over two thousand projects since our inception in 1985. Our designs range from mountain rustic to traditional to modern to meet our client's needs. We are licensed in California, Nevada, and Idaho with most of our projects currently in and around Truckee and Lake Tahoe.

MWA, inc. is driven by teamwork and collaboration. We listen to what our clients say and enlighten them with our experiences to help them weigh-off the multitude of options, factoring aesthetics, function, environment, long-term vs short-term costs, marketability, flexibility, and user satisfaction through the ages. We collaborate with some of the best builders and craftsmen in the area to create high quality results. Our goal for every project is a happy client and a responsibility to the community, the environment, the user, and the soul.

### **About Houzz**

Houzz is the leading platform for home remodeling and design, providing people with everything they need to improve their homes from start to finish – online or from a mobile device. From decorating a small room to building a custom home and everything in between, Houzz connects millions of homeowners, home design enthusiasts and home improvement professionals across the country and around the world.
